Dear Friend:

I am writing to ask if you are thinking of coming East this season, if so would you be interested in playing in Ebbetts Field Sunday July 9th. If you are not coming, do you know of any of the other teams that might .

We will be able to play the nights of July 6th in Trenton, the 7th in Newark, the 8th or 10th in Atlantic City. We would play Atlantic City the 10 if Leuschner would put the team in East Orange the 8th.

I received word from Saperstein we are in Chicago the 11th. I do hope you are with us. When he asked me to play there he assured me it was alright with you. I told him I would not come into your town without your approval. I am sure he would not have said so if it was not alright. Then too you told me to deal with him.

Please let me hear from you about the 9th in Brooklyn, as I think a western team will go better there. Gottlieb has got the 2nd in Brooklyn, and I am sure he plans to play Kansas City there.

I hope things are going alright for you and the team, we were rained out opening day, which really hurts your feelings. However we had a nice crowd next Sunday, which Gottlieb was lucky enough to be booked here for.

Very Truly Yours
